

Social Innovations for Transformative Society

Guidelines for Moderators

Session Details

You can find the presenters in your session, the time slots, and room numbers in the conference program. We are still collecting bios and abstracts from the presenters, which will be available on our conference website by June 20. In the meantime, we will share the proposals for the presentations with you individually via EasyChair.

Presentation Guidelines

- **Duration:** Each presentation should not exceed 15 minutes.
- **Format:** Presenters can choose between a PowerPoint presentation or an oral presentation. We have requested that all presentations be submitted in advance to ensure smooth operation during the sessions. We will ensure that all PowerPoint presentations are uploaded to the conference room computer and are ready for use.

Moderation and Discussion

After all presentations in each session, time will be allocated for discussion, which you will moderate. We advise contacting the participants in advance to prepare for the discussion if needed.

Additional Information

- **Online Streaming:** The sessions will be streamed online, but only on-site participants will be able to ask questions. The conference rooms can accommodate up to 100 participants or more.
 - **Support:** If you have any questions regarding the moderation of your session, please contact us via email. Additionally, we will address all the questions during the online meeting specifically organized for sessions' moderators on June 17th at 12 PM CET via MS Teams. Please find the link to the meeting below in the email.
